The Illusion of Movement, Between Chronophotography and Contemporary Cinema
Francesca Veneziano

Section 3  Shop Windows Of Filmed Ideas, Events, Types, Objects

Chronology
Fernando Maramai

Filmography
Marcello Seregni

Index
Acknowledgements

This book is an edited collection, so it has benefited from all the authors’ contributions. I am very grateful to all of the people who have contributed to the book and I wish to thank them for their kindness and generosity. I wish to acknowledge the keen contribution of (in alphabetical order): Paolo Bertetto, Giancarlo Carpi, Carolina Fernández Castrillo, Giovanni Lista, Denis Lotti, Lucia Re, Antonio Saccoccio, Sabine Schrader, Wanda Strauven, Elisa Uffreduzzi, Valentina Valente, and Francesca Veneziano for their brilliant essays and their patience in reaching publication. I am thankful to Fernando Maramai and Marcello Seregni, who respectively curated the chronology and the filmography included in this collection.

Some of the authors are scholars who have been sources of inspiration from the very beginning of this project; some others revealed new and original perspectives. Among them, Wanda Strauven has especially never hesitated to offer excellent suggestions, which I have greatly appreciated.

This book would not have been possible without the help of Maryse Elliot, Chantal Nicolaes, Kristi Prins, Jeroen Sondervan, and Nanko van Egmond of Amsterdam University Press; I am also thankful to Thomas Elsaesser for his faith in this project.

I wish to thank Marika Di Canio and Zachary Wallace for their translations.

I would also like to thank Jan Simane, Alessandro Nova, and Gerhard Wolf of Kunsthistorisches Institut in Florenz – Max Planck Gesellschaft, who allowed me to participate in their unique project Pro Firenze Futurista. A special thanks goes to Lisa Hanstein, who supervised my work and kindly collaborated with my research on Futurism.

I must acknowledge Beatrice Occhini (University of Naples ‘L’Orientale’), who gave me highly supportive reading and insightful advice, Marco Grifo (Library ‘Mario Gromo’ at Museo Nazionale del Cinema) for his valuable help with bibliographic research, Patrizio Ceccagnoli (University of Kansas) for his guidance on Futurist literature, and art historian Maurizio Scudiero for his kind cooperation with sources and images by Fortunato Depero.

I would also like to thank (for their help with images and sources): Antonella Vigliani Bragaglia (Centro Studi Bragaglia); Laurent Mannoni and Stéphane Dabrowski (La Cinémathèque française); Nancy Kauffman (George Eastman Museum); Daniela Currò, Marina Cipriani, Gabriele Antinolfi Mario Militello, and Martina Malandrino (Centro Sperimentale di Cinematografia – Cineteca Nazionale); Federica Pirani and Alessandra
Cappella (Centro Ricerca e Documentazione Arti Visive, Museo Nazionale di Arte Contemporanea MACRO); Claudia Gianetto (Museo Nazionale del Cinema); Gabriele Oriani (Fondazione Oriani CDA Centro Diffusione Arte); Michele Lanziger (Museo dell’Aeronautica Gianni Caproni); Maria Grazia Conti (Museo del Novecento); Francesca Duranti (Archivio Gerardo Dottori); Celia Crétien (Galerie Chantal Crousel); and Paolo Vampa (Vampa Productions). Furthermore, I wish to thank the artists Caro Verbeek, Evan Roth and Mehmet Ali Uysal for their own works.

I also acknowledge the help that I have received from my friends from the Associazione Italiana per le Ricerche di Storia del Cinema, chaired by Elena Dagrada. I extend my gratitude to my beloved colleagues and friends at Sapienza University of Rome and Lorenzo de’ Medici Institute in Florence for the motivating environment that supported me from the nascent idea through the entire editing process.

A special thanks goes to Piero Fragola for the cover artwork and to my parents, who have provided constant encouragement.
